RE: Valley Pioneers Water Company, Inc. - Application for Extension of its Certificate of Convenience and Necessity (CC&N) Docket No. W-02033A-06-0262
REMINDER THAT INSUFFICIENCY LETTER #2 IS STILL OUTSTANDING

Dear Sir:

In reference to the above mentioned application filed on April 20, 2006, and the supporting documents filed on July 18, 2006, this letter is to inform you that the application still has not met the sufficiency requirements as outlined in the Arizona Administrative Code.

On August 16, 2006, the ACC Utilities Division ("Staff") filed Insufficiency Letter #2, indicating that the Company's application did not meet the sufficiency requirements of Arizona Administrative Code ("A.A.C.") R14-2-402(C). A copy of the Insufficiency Letter was sent to the Company via U.S. mail. In the Letter, Staff listed the deficiencies that needed to be cured for administrative purposes. To date, the Company is yet to respond to Staff's August 16, 2006 Insufficiency Letter #2.

If the Company wishes to pursue the application, please file the response to the August 16, 2006 Insufficiency Letter #2 by January 15, 2008. After January 15, 2008, if the Company fails to respond to Staff's August 16, 2006 Insufficiency Letter #2, Staff may request that the case be administratively close.

If you have any questions concerning this matter, please do not hesitate to contact me at 602-542-0840 or Dorothy Hains at 602-542-7274.
